GRADING NEWS

Many congratulations to Keir Owen and Robert Marshall on passing their 3rd and 2nd Dan Black Belt gradings. Both students gave their all on the day and achieved truly remarkable results, even in the scorching heat.
They demonstrated outstanding technique throughout and performed their required self-defence drills to a very high standard. The panel was overseen by Masters Teresa Kendall and Paul Marshall. Well done again to both of you — very well deserved.
Our June colour belt grading was also outstanding. Across both grading sessions, the techniques demonstrated to the panel were of a high standard, and everyone achieved their next colour belt.
Special thanks go to our Black Belts for assisting in classes during grading preparation and supporting the grading panel. We were also pleased to welcome Master Teresa Kendall, founder of Kendojo BBS, who oversaw the grading day.
